

Beanstalk Story Pieces

Print • Cut • Stick • Play

Turn the Story Pieces into Puppets

Print and cut out the story pieces. Laminating them for extra durability is optional.

Glue or tape a craft stick to the back of each figure so children can easily hold, move, and manipulate the characters as they retell *Jack and the Beanstalk*.

Easy Storage

Attach a large envelope to the back of your beanstalk story board. When story time is over, tuck the pieces inside so your complete storytelling set is ready for the next adventure!
